

On November 26, 2008, the monthly meeting of MARCAN was called to order at 1113 hours by President Susan Smith. Nine members were present at the last meeting to be held at UMKC.

The minutes were read and approved.

Because of the absence of Carol Stanton, there was no Treasurer's Report.

Training Report

Dawn Clausius was not present, but Susan advised that she will teach another Crime Stat class in March, probably at the Overland Park Police Department.

The First Friday's Free Training scheduled for February 6, 2009, will feature Dr. Derek Paulsen. His morning topic will be "Crime in Impoverished Neighborhoods," and the afternoon, "How It Affects the Real Estate Market." Jamie will confirm that we can meet at the Overland Park Fire Department Training Center.

Membership Report

Dawne Jarrett updated last month's report, to reflect 72 active/paid members, and 27 expired/pending memberships.

Old Business

No additional nominees for the open positions were received, so Jamie May will remain Vice President of Administration; Beverly Redding, Secretary, and Dawn Clausius, Training Coordinator.

At the MARCAN Christmas lunch hosted by Shawnee PD, Susan suggested that she have Chris Bruce's Power Point on Crime Analysis running in the training room during the lunch. Also, she needs to know how many plan to attend. Please RSVP soon!

New Business

Mark Phillips advised that Lee's Summit Chief of Police Joseph Piccinini will give opening remarks at the first MetroIntel/MARCAN meeting on January 28, 2009. Susan will check to see if her Chief will do a welcome in February at their facility.

Dawne Jarrett asked if anyone was interested in a demo of the MO-Dex/CopLink program. It was decided to have a short presentation at the January meeting in Lee's Summit after the MetroIntel meeting and before MARCAN.

The meeting was adjourned at 1138 hours.

RESPECTFULLY SUBMITTED: Beverly Redding, Secretary
