

On January 27, the monthly meeting of MARCAN was called to order by President Dawn Clausius at 1104 hours. There were thirteen people present at the meeting, which was held at Independence Police Department.

The minutes from November were read and approved since there was no meeting in December due to the Christmas Holiday party.

Treasurer's Report

In the absence of Carol Stanton, Kyle Stroker read the Treasurer's Report, which indicates that the beginning balance in January was \$1,399.19. Debits totaled \$00.00 and credits were \$2,440.39, leaving a balance of \$3,839.35.

Membership Report

**Dawne indicated that we have 95 paid members which is a great way to start the new 2010 year out. 15 new members included the detectives from the Olathe Police Department. Memberships Certificates are complete and being sent out through the mail by Dawne Jarrett.

Training Report

**Dawn Clausius is no longer the training coordinator since assuming her position as President of MARCAN. Congratulations again Dawn! Four people have applied for the position of training coordinator; Jen Dachenhausen, Kyle Stroker, Jim Anderson, Lisa McMullen and announcements on the position will be communicated later. Independence PD has asked to co-host three IACA training classes with MARCAN, which is a win-win for both organizations. Any agency that would like to host a class, training, etc. is asked to contact Dawn Clausius. Mike Fracul from KS Department of Revenue gave the group a heads-up on a seminar on Driver's License Fraud that would be of benefit to the MARCAN members. He forwarded contact information on to the board.

Old Business

By-Laws report update included comments from Dawne and Jennifer that the by-laws were about 65-70% complete. Delays keep popping up when looking at the by-laws in which additional items that are new and need to be added come up and have to be addressed before moving on.

New Business

Discussion surrounding the security of our MARCAN website and members information took place. The roster with members contact information has for the time being been removed from the site. Ideas of piggy backing on with IACA's site were discussed as well as home/logon pages being put into place for security measures. Members were asked to put feelers out for individuals that would be 'trusted' to help with the upgrade.

The meeting was adjourned at 11:24 hours.

RESPECTFULLY SUBMITTED: Jennifer Dachenhausen
